Hay Valentine's Day

A detailed black and white illustration of a cherub, likely Cupid, is the central focus. The cherub has curly hair, large feathered wings, and is dressed in a small, ornate garment. It is holding a bow in its right hand and an arrow pointing towards the left in its left hand. The cherub is positioned in the center of the image, overlapping the large text. The background is a solid light red color, decorated with several large, soft, white clouds that appear to be floating around the cherub and the text.
